# BIOGRAPHY

Juran started showing his prowess for sport at an early age and was a keen rugby player during his teenage years. However, life has the habit of throwing hurdles at you and an unfortunate injury forced him to let go of his rugby dream. As an alternative Juran decided to take up golf and took to it immediately. By his second year he already held the No 1 position in the U/17 Division – Overall Order of Merit in the Orange Free State and Northern Cape.

Juran went on to win a number of events on the amateur stage and in 2018 he decided to make golf his career. In doing so he obtained his Sunshine Tour Professional Status through the Big Easy Road to Sunshine Tour by finishing 4th at the Big Easy Tour Champs and 4th on the overall standings.

His goal going forward is to finish in the top 50 of the Sunshine Tour Order of Merit and from there progress to either the Asian or European Tour. Apart from golf, Juran also enjoys hunting, fishing and the outdoors.

In Juran's own words -

“One of the things that my parents have taught me is never listen to other people's expectations. You should live your own life and live up to your own expectations, and those are the only things I really care about it.”

“I've always made a total effort, even when the odds seemed entirely against me. I never quit trying; I never felt that I didn't have a chance to win.”
