

PGA Golf Diploma

To all the staff at BSI; I can't thank you enough for the last few years. BSI has been a huge part of my life and it's something that's going to stay with me forever. I've had amazing experiences and endless exposure which has led me to achieve more than I could ever imagine. I give all that credit to you! I've built friendships that I will always cherish."

~ Yusuf Raidhan, PGA Diploma Graduate

I was very privileged to attend BSI for 4 years. It gave me the opportunity to pursue my dream of playing golf for a living under the guidance of some fantastic coaches, while getting a great academic grounding. It also afforded me the chance to gain experience in various avenues within the golf industry before settling on coaching, which has ultimately become my passion and career. I would highly recommend the academy to anyone who is interested in pursuing a career within the golf industry."

~ Murray Smit, PGA Diploma Graduate
