

Greenkeeping & Golf Course Management

2023

"So grateful that we found you and could support Nic's passion. With what you offer at BSI Golf I know that he can follow his passion and actually finish off with choices of a career. To know that these boys are being guided in the correct direction and principles in life, the peace of mind I now have is worth more than money could ever buy!"

*~ Robyn Stawski
(Parent of BSI Golf student)*

About BSI Golf

Our Purpose

To provide an environment of excellence that encourages the development of each and every student to his or her full potential, in sports performance, education, personal development and in preparation for life.

To be a hotbed of talent development. To train and produce champions. To develop leaders and positive contributors to society.

Training Philosophy

Our training philosophy takes a holistic view of golf performance and incorporates all aspects that are essential for elite performance:

- Skills Development
- Technique / Shot-making
- Scoring Game
- Mental Conditioning
- Golf Fitness
- Strategy

BSI Golf Ethos

BSI Golf provides a dynamic, nurturing environment that encourages accelerated learning and development for all.

BSI Golf students are encouraged to develop key attitude characteristics such as responsibility, high work ethic, perseverance, openness to learning and acceptance of mistakes and struggles along the way to success.

Expertise

BSI Golf employs an unparalleled team of experts to guide students through their performance development.

All BSI Golf coaches are highly trained through the PGA system.

Success Stories

BSI Golf has trained 3 world champions, dozens of tournament winners of junior, amateur and professional events, and a whole host of national and provincial representatives.

Many BSI Golf graduates have gone on to achieve playing privileges and success on the Sunshine Tour, Big Easy Tour and further afield on the international tours.

Even more students have gone on to forge successful careers in the golf industry, including many as greenkeepers/course managers.

Greenkeeping & Golf Course Management

BSI Golf graduate Jerry Steyn at the Joburg Open

Program Description

This 1-year course takes learners through every aspect required to become a successful Golf Course Superintendent, one of the highest paid positions in the golf industry.

Performance Development Program

Students improve their playing skills under guidance of a qualified BSI Golf Coach. Students receive 40 coaching sessions per year, regular evaluations and individual practice plans. The coaches use state of the art technology such as Trackman, Flight Scope and CoachNow to assist with the skills and technical learning.

Academic Component

Topics covered include:

- Grass species and plant identification
- Soil types
- Fertilising
- Golf course irrigation and drainage
- Mowing
- Pest control
- Equipment and maintenance
- Workshop safety
- Golf course design and construction
- Golf course management
- Putting green maintenance
- Maintaining bunkers
- Golf course marking and tournament preparation
- Budgeting
- Managing health and safety systems

Practical Learning & Schedule

The learning process includes a large **practical element** to compliment the theory. Students receive invaluable practical experience at one or more of our partner golf courses.

In a 40-week programme (4 cycles of 10 weeks), students need to complete a minimum of 1,000 “practical hours”. This is achieved by working at least 2 full days a week on the golf course and completing 6 hours of academic work a week (half of which will be supervised learning).

We recommend that students also take the “playing” option, which includes our internal tournament schedule and membership at Royal Johannesburg & Kensington GC.

Who Should Apply?

Golfers who want to pursue a **career in Greenkeeping, Golf Course Management or Golf Course Construction**, whilst still improving their playing ability.

Graduate Employment

Our Greenkeeping graduates have been employed at top courses such as **Royal Johannesburg & Kensington GC, Pecanwood Estate, Irene CC, Houghton GC, Steyn City and Golf Data** amongst others. Graduates join our exclusive Alumni Club and receive regular job opportunities from around the world.

Enrolment Requirements

- Matriculation Certificate or equivalent
- Interview with Programme Director

Contact Details and Fees

Recognition

The qualification (National Certificate in Sports Turf) sits at an NQF Level 4 and is recognized by the Golf Course Managers and Greenkeepers Association (GCMGA).
