

BSI Boarding House 2025

Our boarding facility provides scholars with a safe, secure and spacious environment to relax away from the academy. The facility is staffed by our Housemaster, an Assistant Housemaster, plus 3 other staff members to ensure adult supervision.

Students have the option of single or shared rooms. Included in the basic cost are access to internet and DSTV (Satellite TV) so students are able to watch all of the worldwide sport that Super Sport offers. Laundry and house maintenance services are also included in the basic costs.

The outside swimming pool and Lapa area provide relaxing entertainment areas for weekends and summer evenings. There are a number of other communal areas inside the main facility to relax, watch sports, play games such as table tennis and foosball, or study.

3 healthy meals a day are offered for either 5 or 7 days a week, with a hot meal provided in the evenings. Transport is provided to and from the academy Monday – Friday during cycle dates (To and from BSI).

The boarding facility is located in a peaceful area of Eastleigh Ridge, 10 minutes (6km) drive from BSI's Training Academy and the BSI Study Centre, and close to the popular Greenstone Mall. The road is gated and manned by security guards during the day and closed at night. There is a strict code of conduct enforced at the facility. Occupation runs from mid-January to the end of November / early December.
