

BSI Boarding House 2027

Our boarding facility provides scholars with a safe, secure and spacious environment to relax away from the academy. The facility is staffed by our Boarding House Manager, a Boarding House Assistant, plus 2 other staff members to ensure adult supervision.

Students have the option of single or shared rooms. Included in the basic cost are access to internet and DSTV (Satellite TV) so students are able to watch all of the worldwide sport. Laundry and house maintenance services are also included in the basic costs.

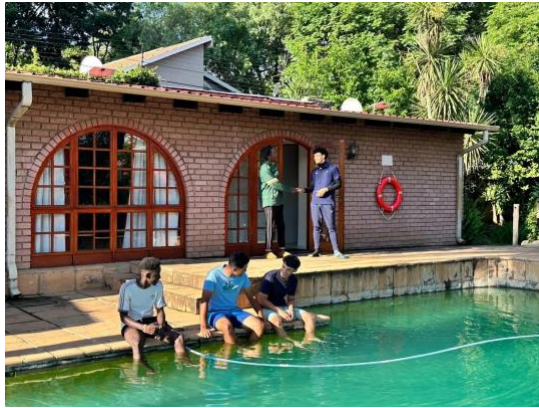

The outside swimming pool and Lapa area provide relaxing entertainment areas for weekends and evenings. There are a number of other communal areas inside the main facility to relax, watch sports, play games such as pool and foosball, or study.

3 meals a day are provided either 5 days a week (for local students from Gauteng province only) or 7 days a week (for national and international students), with a hot meal provided in the evenings. Transport is provided to and from the academy Monday – Friday during cycle dates (To and from BSI).

The boarding facility is located in a peaceful area of Eastleigh Ridge, within 7.8km from BSI's Campus, and close to the popular Greenstone Mall. The road is gated and manned by security guards during the day and closed at night. There is a strict code of conduct enforced at the facility. Occupation runs from mid-January to the end of November / early December.
