BSI FOOTBALL ACADEMY

CREATING OPPORTUNITIES. CREATING EXPOSURE. CREATING PATHWAYS.

On 14 September 2026, our Hollywoodbets League team had the opportunity to test themselves against Mamelodi Sundowns DDC in a pre-season friendly.

Just days earlier, on 8 September, our boys had another valuable test against Sekhukhune United.

For our players, these fixtures were about much more than the result. They provided an opportunity to experience the demands of playing against teams connected to the highest levels of South African football, while challenging themselves against quality opposition and gaining valuable match experience.

For BSI, these opportunities form an important part of our commitment to developing footballers and creating genuine exposure for our talent. Playing in the Hollywoodbets League already provides our players with a competitive platform, but giving them opportunities to test themselves against clubs competing within the PSL environment adds another level to their development.

CREATING OPPORTUNITIES. CREATING EXPOSURE. CREATING PATHWAYS.

These are the experiences that allow players to understand where they are, what they need to improve and what is possible when they are given the right platform.

At BSI, we believe development is not only about what happens on the training pitch. It is also about creating opportunities, exposure and pathways that can help our players move closer to their football ambitions.

YOUR JOURNEY CAN START HERE

With 2027 EDP and YDP applications now open, the next generation of BSI footballers has the opportunity to become part of a programme built around football development, education and exposure.

If your child has ambitions of taking their football to the next level, BSI can provide the platform to help them take that next step.

2027 EDP & YDP applications are now open.

The opportunity is there. The next step is yours. ⚽🔥

TOURNAMENT'S BEST BETWEEN THE POSTS

A proud moment for BSI Football as BSI student-athlete Kai Ambrose was named Goalkeeper of the Tournament at the SAFA TDS U15 Inter-Provincial Tournament.

Representing Team Gauteng, Kai played an important role in a successful tournament campaign as Gauteng went on to be crowned tournament champions.

The campaign was capped off with an impressive 4–1 victory in the final against the U15 Men's Schools National Team, securing the title for Team Gauteng.

For Kai, being recognised as the tournament's standout goalkeeper is a significant achievement and a reflection of the hard work, commitment and continued development he has shown both on and off the pitch.

At BSI, we are proud to see our student-athletes earning opportunities to compete at a high level and represent themselves, their teams and their province.

Congratulations, Kai! We are incredibly proud of you. Keep working, keep developing and keep reaching for the next level.

THE GOALSCORING HERO

The U17 attacker who keeps delivering when BSI needs him most. When the game is on the line and the U17 GDPL team needs someone to step up, Onthatile Kibi has proven himself to be a player they can count on.

A pivotal figure in the U17 attack, Onthatile has established himself as one of the team's key attacking threats this season. His versatility allows him to operate across the front line, whether on the left wing, right wing or through the middle as a striker — giving the team a dangerous attacking option in multiple positions.

But it is his eye for goal that has truly made him stand out. With 10 goals already this season, Onthatile has developed a reputation as a goalscoring machine and a player capable of making the difference when it matters most. Time and again, he has answered the call for the U17s, producing important goals and playing a major role in late-game victories.

THE GOALSCORING HERO

His ability to remain composed in crucial moments has made him a hero for the U17 GDPL side. Whether it is finding space on the wing, taking on defenders or finishing chances in front of goal, Onthatile brings an attacking spark that can change the course of a match. For the U17s, his contribution goes beyond simply putting the ball in the back of the net. His movement, versatility and attacking mentality give the team another dimension and provide his teammates with a forward who is always capable of creating something.

10 goals. Multiple attacking positions. Big moments. Onthatile Kibi is showing that when the pressure rises, he is ready to rise with it.

  **YOUR CHILD'S FOOTBALL JOURNEY CAN GO BEYOND SOUTH AFRICA.**

In April 2027, BSI Football players will travel to Portugal for an international football experience focused on development, exposure and broadening their horizons beyond South Africa.

The tour will give players the opportunity to experience different football cultures, styles and environments while gaining insight into the possibilities of an international football pathway.

Could your child be part of the BSI journey in 2027?

Applications are now open for:

-  **BSI Youth Development Program (YDP)**
-  **BSI Elite Development Program (EDP)**
